

**Kawartha World Issues Centre
Fundraising Appeal 2011**

Dear KWIC friends, it wouldn't be the KWIC Annual Report without our annual fundraising appeal.

KWIC is celebrating 22 years of local education and organizing. Many of you were involved in those early days when local social justice activists and educators envisioned and created a local "Learner Centre", which later was incorporated as the Kawartha World Issues Centre.

Since 1989, KWIC has served the Peterborough community and Kawartha region by promoting awareness, analysis and action around world issues and their local connections. KWIC's 22 years of work includes the role of a catalyst and umbrella organization: to shape and support community projects, which then carry-on as vibrant, self-sustaining programs or organizations.

As a small, not-for-profit organization, we continue to depend on your generous donations which enable KWIC to offer the education, inspiration and tools for local citizens to take action on pertinent issues in the world today. Our work continues to have a focus on youth engagement and opportunities for intergenerational dialogue and learning.

We thank you for your support and hope you will give generously by filling out the donation form on the other side. ➡
